

Sea Star's Profile

Born to be your Service Provider

Our Group

Sea Star Group offers various logistics-related services under our 3 subsidiaries.

About the Company

Sea Star Group was founded in 2004 by K'Chanchai Wanitwatanatumrong.

Leveraging his strong leadership and long-term experience in the industry; K'Chanchai, along with his tenured management team; has led Sea Star Group for over 20 years in providing full range of maritime logistics related services.

Services which the group offers towards our clients range from port handling, transportation, logistics services and container management; consisting of Shipping & Port Agencies Services to Ship Husbanding, and NVOCC Services.

Sea Star Group's core values revolves around reliability and trust. We remain strongly committed with our company policy of "putting our customers first by providing the unique services that offer both value and safety."
